Creating Global Citizens

Since 2052 B.S.

TRANSFORMING

POSSIBILITIES INTO REALITIES

A Silver Lining

Dear Students,

Greetings from GCS!

It is with great pleasure and profound admiration; I extend my sincere congratulations on this momentous occasion to all the SEE graduates for transitioning to the new realm of secondary education. This time of the year marks the culmination of years of hard work, dedication, perseverance, and discipline. While students are delighted that they have conquered a considerably challenging and strenuous phase of their lives; there is an unprecedented amount of dilemma in their minds about the choices they are going to make regarding their academic expedition. Therefore, I would like to unravel some valid points that will surely assist you to make a firm decision regarding your high school education.

Crafting the way to successful academic avenues since 2052 BS, we, the Global Collegiate School, are much pleased to announce that this year we are completing our 28 years of excellence and celebrating our unremitting trials to be one of the leading educational foundations in Pokhara. Located in Ranipauwa, Pokhara Metropolitan City, GCS, has been endeavoring to be a dedicated leader in the education sector by bestowing holistic, meaningful, and innovative learning platforms to students of all backgrounds in the vicinity of Kaski district. We adapt to the ever-changing education system of Nepal and attempt to create a learning environment, faculty, and opportunities that are well embedded in our Nepali culture and are definitely equivalent to the international standard.

In contemporary times, the paramount significance of quality education cannot be overstated, as it serves as the fulcrum for societal progress and individual empowerment. At GCS, we believe that the insightful cultivation of knowledge and the dissemination of learning through robust educational frameworks foster intellectual acuity, critical thinking, and incisive discernment among learners. An educational institution is the most revered, responsible, and trustworthy part of our country that must stay unpolluted in every aspect. Thus, we are fully attentive and prepared to cultivate a virtuous pilgrimage of education., where we support our students with a variety of programs, scholarships, research activities, and opportunities.

Global has been continuously greeting pupils from heterogeneous socio-economic backgrounds. We take great pride in our safe, friendly, and supportive milieu that students get to experience every day. Global classrooms are embellished with boundless prospects for students to explore. Beyond the classroom, Global offers a plethora of extracurricular activities that cater to a wide range of interests. Our exceptional faculty members, who are not only experts in their respective fields but also dedicated mentors and guides, are passionate about igniting your intellectual curiosity and helping the students develop the skills necessary to thrive in an ever-changing world.

I would also like to take this opportunity to inform our aspiring students, our credulous parents, and all our well-wishers that in the year 2022, 8 of our alumni completed their Ph.D. from world-renowned universities in Japan, USA, and Australia. Thus, GCS rightfully can take pride in creating global citizens; keeping our evergreen motto alive: Come to learn and Go to Serve.

Finally, I invite you to embark on this transformative journey with us, where your aspirations will be cherished, and your dreams will take flight. Join our vibrant community of scholars, innovators, and leaders and embrace the opportunities that lie ahead. Welcome to GCS!

Baburam Panta
Principal

Aims/Objectives

Our main aim is to produce skillful, productive and responsible citizens. To accomplish this aim, our objectives are;

- ⇒ to create an environment that encourages the pursuit of academic excellence of each student to the maximum degree,
- ⇒ To enhance the capacity for independent judgement,
- ⇒ To lay strong foundation for future development,
- ⇒ To encourage pupils to acquire values, attitudes, ideas and skill which assist them in their personal and social life,
- ⇒ To provide opportunity of leadership and responsibility,
- ⇒ To develop self-esteem and concern of our students, and parents,
- ⇒ To develop physical health, dexterity and grace, and
- ⇒ To encourage students to participate to the best of their ability in sports, music, drama, art, digital learning and other indoor and outdoor activities.

Global Pedagogy

We have been adopting a student-centered methodology in teaching-learning activities. Students at GCS do not only study but also explore innovative cum pragmatic ways of learning, sharing and communicating. Key features of our teaching methodology include:

- ⇒ ample opportunity to do experiments in science and computer lab
- ⇒ library visit and consultation of reference books, journals, magazines, and newspapers
- ⇒ regular assignment of project works, presentation and certification
- ⇒ weekly assessment and feedback
- ⇒ regular counselling and training programme
- ⇒ field trips to different historical and culturally important places
- ⇒ optimum use of multi-media and digital learning

Facilities

Classrooms

All the classes run in the bright, spacious and cosy classrooms equipped with comfortable furniture. Environment-friendly green board in each classroom is a part of our mission to make dust-free school.

LIBRARY

To encourage students to explore and learn themselves, we have an opulent library with more than sixteen thousand books and twenty plus different newspapers and magazines subscriptions. The library also has a separate reference section for numerous reference books and encyclopedias.

SCIENCE LAB

Global has three separate science laboratories one each for Physics, Chemistry, and Biology. In addition, for secondary-level students, a separate lab has been managed. All the labs are well-equipped, easy to use, and up to a high safety standard.

COMPUTER LAB

To enable our students to match their steps with the ever-rising IT field, GCS provides students with access to around fifty computers in the internet-enabled computer lab.

AUDITORIUM & AV LAB

The school has a techno-friendly auditorium, with the capacity of 250 people, which has made scholarly presentation, extracurricular activities, group counselling, exhibition and other mass activities easy to run. Furthermore, to make teaching-learning process more effective and lively, students get to use our fully equipped AV Lab to explore documentaries, movies, and educational videos.

CAFETERIA

The school cafeteria serves interested students hygienic, fresh and nutritious breakfast and lunch during the breaks. We are constantly introducing fresh menus to satisfy our students having diverse taste.

GAMES & SPORTS

GCS encourages its students to actively take part in games and sports for the all-round development of the students. The school has Table-Tennis Hall, Badminton, Basketball, Volleyball, Handball courts, 5- a-side Football ground, within the school premises to aid to the involvement of students in games and sports. The Physical Education department provides students with opportunities for all these activities. In 2079 HISSAN inter-school competitions, our students bagged prestigious prizes in various games.

TRANSPORTATION

The students can have access to Global from all nooks and corners of Pokhara valley with our wide transportation service.

EXTRA-CURRICULAR ACTIVITIES

The school regularly organizes various extracurricular activities for the all round and harmonious development of the students. These include quiz, debate, games and sports, singing, dancing, annual presentation for developing research skills etc. Besides a week long sports meet and field events are organized annually along with the numerous events that run throughout the year.

VEDA: SCHOOL MANAGEMENT SYSTEM

GCS uses separate interactive apps called VEDA (for guardians) and VEDA GURU (for teachers) for automation of all school activities, connectivity, and easy monitoring. The teachers and the guardians can, thus, have easy access to school management system all round the clock.

SCHOLARSHIP

GCS offers wide range of scholarships to the deserving and needy students. Entrance toppers of each faculty will also enjoy the free-ship of 100 percent tuition fee.

Programmes Offered in Class XI & XII

- ⇒ Science
- ⇒ Management

Shifts & Timings

The school runs six days a week from Sunday to Friday. Classes of science run only in the day (from 10 a. m. to 5 p. m.) whereas classes of management run both in the morning (from 6 a. m. to 10 a. m.) and in the afternoon (from 10 a. m. to 2 p. m.)

Evaluation System

The school conducts regular internal assessments along with the terminal exams. Students' performance records are maintained and reported to the respective parents/ guardians. Besides the examinations, the school management along with teachers closely observe every students' behavioral and academic activities.

Admission Process

There are limits to the number of students that can be enrolled to each programme. GCS, thus, adopts well defined criteria and procedure for student admission. The prospective students should fulfil the eligibility criteria and undergo the procedure. Enrollment in Management, requires 2.4 GPA and students seeking to join Science stream require to obtain 2.8 GPA in SEE.

FACULTY MEMBERS

MATHEMATICS

1. Baburam Panta (M.Sc., TU)
2. Bed Prasad Sharma (M.Ed., TU)
3. Ramesh Raj Dhakal (M.Ed., TU)
4. Arjun Aryal (M.Sc., TU)

PHYSICS

1. Arjun Poudel (M.Sc., TU)
2. Dilip Shrestha (M.Sc., TU)
3. Shishir Kadel (M.Sc., TU)

CHEMISTRY

1. Nanda Lal Tripathy (M.Sc., UK)
2. Ashok Ojha (M.Sc., TU)
3. Anil Poudel (M.Sc., TU)

BIOLOGY

1. Narayan Subedi (M.Sc., TU)
2. Narmada Rana (M.Sc., TU)

ENGLISH

1. Nagendra Bahadur Bhandari (Ph.D., TU)
2. Dilli Ram Ghimire (M.A., TU)
3. Narayan Prasad Sapkota (M.Phil., NOU)
4. Kamal Raj Regmi (M.A., UK)
5. Bindu Prasad Subedi Thakrit (M.A. TU)
6. Bhabika Dangol (M.A., TU)

NEPALI

1. Nepal Prakash Adhikari (M.A., TU)
2. Kabiraj Baral (M.A., TU)
3. Lalmani Pokhrel (M.A., NOU)
4. Basanti Basnet (M.A. TU)
5. Shiva Hari Subedi (M.A., TU)

SOCIAL STUDIES

1. Kamal Raj Regmi (M.A., UK)
2. Bindu Prasad Subedi Thakrit (M.A. TU)
3. Hari Krishna Pokhrel (M.Ed., TU)

ACCOUNTANCY

1. Drona Raj Upadhaya (MBS,
2. Mansingh Chaudhary (MBS, TU)
3. Aashish Dhungana (MBA, Australia)

ECONOMICS

1. Bhal Bahadur Chhetri (M.A., TU)
2. Narayan Sharma (M.A., B.Ed., TU)
3. Krishna Prasad Lamichhane (M.Phil., TU)

BUSINESS STUDIES

1. Prakash Parajuli (MBA., TU)
2. Gautam Poudel (MBA., TU)
3. Arjun Prasad Sapkota (MBA, UK)
4. Ram Raj Parajuli (MBS, M.Ed., TU)

COMPUTER

1. Er. Achyut Dhewajoo (B.E, Software, PU)

ADVISORY BOARD

1. Prof. Dr. Birendra Singh Gurung, Ex-Campus Chief, PN Campus
2. Tika Ram Koirala, Ex- HOD, English Dept., PN Campus
3. Dr. Buddhi Bahadur Thapa, Ex-VC, Pokhara Academy of Health Sciences
4. Prof. Dr. Krishna K.C., Environmentalist
5. Dr. Anil Subedi, Agriculture Scientist
